Message
from the
Head of
Boys Hall

MR ECCLES
Head of Boys Hall

Dear POWIIS Boarding Community,

It is with great pleasure that I write this inaugural message for the POWIIS Boarding Newsletter. I hope that this will serve as a window into the many wonderful things that happen here and

allow you all to feel a bit closer to the goings on of our busy community.

We have been fortunate to welcome many new families into the fold this year from across the globe and to those new families I wish you a warm welcome to the community. For our many returners, it has been wonderful to welcome you back and hear about the many exciting adventures from the summer gone by. I would also like to extend my thanks to the many students that have gone out of their way to ensure that all of our new students felt at home in their first few weeks.

While the year is still young, we have had a number of exciting events happening so far, a selection of which

you will be able to read more about in this newsletter. There will be a lot more to come over the rest of this term with our activities programme getting into full swing, sports teams and fixtures getting underway and perhaps most importantly new initiatives and ideas from our Boarding Council.

Finally, please look out for communication on the upcoming half term holiday from October 26th - November 3rd. We will be looking to offer a comprehensive holiday programme subject to sufficient demand and this has often been a popular option among our community.

Mr Eccles

Boarder Induction

What a lot of new faces! Our new boarder induction session was buzzing with excitement as our many new members were introduced to the ins and outs of boarding by our wonderful staff and a selection of our veteran boarders.

General

While the term is still young, our boarders have been busy making the most of the many opportunities available to them. Here is a selection of photos showing just some of the things they have been getting up to!

Scavenger Hunt

Our full boarders went on an evening out to Georgetown where they were able to immerse themselves in Penang food and culture. The students went around and tried to tick off as many "bucket list" items as possible in the time allowed - as you can see this was a very successful mission!

Bowling

Bowling and bonding. POWIIS booked out the bowling lanes for a Saturday afternoon session of fun and friendship. This was a great opportunity for our boarders to get to know each other a little better while also having some fun and friendly competition thrown into the bargain!
